

THE LEADER IN CUSTOM CONTAINER
HANDLING SOLUTIONS & ENHANCEMENTS

FEEDSCREWS

Come to Septimatech Group Inc. for your feedscrew requirements and discover the same high level of quality and service that our changepart Customers have been enjoying since 1993. Thanks to our unique manufacturing process, your Septimatech feedscrew will feature a pocket that accurately fits the profile of your container, whether it is round, square, oval, or something in-between. The same unique process gives your Septimatech feedscrew a gentle rate of acceleration and a smooth finish for flawless container transfer without scuffing or marking the container or label surface.
